INDEX TO VOLUME 59

The volume is indexed by SUBJECTS and AUTHORS, in that order.

SUBJECTS

Adolescence

Changing patterns among homeless and runaway youth, 208
Nuclear worries of Canadian youth: replication and extension, 520
Severity of depression and developmental levels of psychological functioning in 8–16-year-old girls, 167
Suicidal behavior in "normal" adolescents: risk and protective factors, 59

Aging

Causes of elder abuse: caregiver stress versus problem relatives, 179
Effectiveness of three group intervention strategies to support family caregivers, 420
Molecular biology in psychiatric research: Alzheimer's disease as a paradigm, 294

Alzheimer's Disease

Molecular biology in psychiatric research: Alzheimer's disease as a paradigm, 294

American Orthopsychiatric Association

In parting, 4
Renewal, 5
President, American Orthopsychiatric Association, 1988–89, 164

Anxiety

Attachment, anxiety, and loss of a husband, 550
Relationship between borderline personality disorder and anxiety disorders, 461
Toward an integrated model of panic disorder, 284

Autism

Psychopathology in fragile X syndrome, 142

Behavior Problems

Developmental-clinical rationale for the use of seclusion in the psychiatric treatment of children, 442
Epidemiology and child psychiatry: entering the second phase, 279
Family characteristics and measures of behavior in foster and nonfoster children, 502
Ongoing postdivorce conflict: effects on children of joint custody and frequent access, 576

Bereavement

Attachment, anxiety, and loss of a husband, 550

Biological Factors

Molecular biology in psychiatric research: Alzheimer's disease as a paradigm, 294
Psychopathology in fragile X syndrome, 142
Toward an integrated model of panic disorder, 284

Child Abuse/Neglect

Changing patterns among homeless and runaway youth, 208
Child abuse and violence in single-parent families: parent absence and economic deprivation, 492
Child abuse, neglect, and adult behavior: research design and findings on criminality, violence and child abuse, 355
Family characteristics and measures of behavior in foster and nonfoster children, 502
Maternal support following disclosure of incest, 197
Psychotherapy and mandated reporting of child abuse, 246
Severity of maternal depression and three types of mother-to-child aggression, 377
Sexualized attention: normal interaction or precursor to sexual abuse?, 238

Child Care/Day Care

Addressing the nation's child care crisis: the school of the twenty-first century, 484
Patterns of response in families of chronically disabled children: an assessment in five metropolitan school districts, 94

Child Development

High-risk children in young adulthood: a longitudinal study from birth to 32 years, 72
Maternal affect and toddlers' social-emotional competence, 368
Severity of depression and developmental levels of psychological functioning in 8–16-year old girls, 167
Temperament and individuality: a study of Malay children, 390

Child Psychiatry

Developmental-clinical rationale for the use of seclusion in the psychiatric treatment of children, 442
Epidemiology and child psychiatry: entering the second phase, 279
Immigrant children: psychiatric disorder, school performance, and service utilization, 510
Treating the sibling subsystem: an adjunct of divorce therapy, 226

High-risk children in young adulthood: a longitudinal study from birth to 32 years, 72
Maternal affect and toddlers' social-emotional competence, 368
Severity of depression and developmental levels of psychological functioning in 8–16-year old girls, 167
Temperament and individuality: a study of Malay children, 390

Child Psychiatry

Developmental-clinical rationale for the use of seclusion in the psychiatric treatment of children, 442
Epidemiology and child psychiatry: entering the second phase, 279
Immigrant children: psychiatric disorder, school performance, and service utilization, 510
Treating the sibling subsystem: an adjunct of divorce therapy, 226

Child Rearing

Impact of a family support program on mothers' social support and parenting stress, 410
Marital quality, depression, and inconsistent parenting: relationship with observed mother-child conflict, 105
Maternal affect and toddlers' social-emotional competence, 368
Ongoing postdivorce conflict: effects on children of joint custody and frequent access, 576
Patterns of response in families of chronically disabled children: an assessment in five metropolitan school districts, 94
Predictors of children's postdivorce adjustment, 605
Severity of maternal depression and three types of mother-to-child aggression, 377
Sex differences in children's response to parental divorce: 2. samples, variables, ages and sources, 118
Sexualized attention: normal interaction or precursor to sexual abuse?, 238
Styles of conflict resolution and cooperation between divorced parents: effects on child behavior and adjustment, 560

Clinic Operation

Consultation to a clinic following suicide, 473

Computers

Computer-based psychological testing: issues and guidelines, 257

Crime/Corrections

Child abuse, neglect, and adult behavior: research design and findings on criminality, violence, and child abuse, 355

Cross-Cultural Issues

Immigrant children: psychiatric disorder, school performance, and service utilization, 510
Temperament and individuality: a study of Malay children, 390

Depression

Marital quality, depression, and inconsistent parenting: relationship with observed mother-child conflict, 105
Relationship between borderline personality disorder and anxiety disorders, 461
Severity of depression and developmental levels of psychological functioning in 8-16-year old girls, 167
Severity of maternal depression and three types of mother-to-child aggression, 377
Suicidal behavior in "normal" adolescents: risk and protective factors, 59

Diagnosis and Classification

Acceptance of the mental illness label by psychotic patients: effects on functioning, 398
Advantages of abandoning symptom-based diagnostic systems of research in schizophrenia, 324
Relationship between borderline personality disorder and anxiety disorders, 461

Divorce

Daughters of divorce: report from a ten-year follow-up, 593
Ongoing postdivorce conflict: effects on children of joint custody and frequent access, 576
Predictors of children's postdivorce adjustment, 605
Research perspectives on children of divorce: introduction, 557
Sex differences in children's response to parental divorce: 2. samples, variables, ages, and sources, 118
Styles of conflict resolution and cooperation between divorced parents: effects on child behavior and adjustment, 560
Treating the sibling subsystem: an adjunct of divorce therapy, 226

Eating Disorders

Anorexia nervosa reconceptualized from a psychosocial transactional perspective, 346

Education

Addressing the nation's child care crisis: the school of the twenty-first century, 484
Immigrant children: psychiatric disorder, school performance, and service utilization, 510

Epidemiology

Epidemiology and child psychiatry: entering the second phase, 279

Families/Family Therapy

Addressing the nation's child care crisis: the school of the twenty-first century, 484
America's family support movement: strengths and limitations, 6
Anorexia nervosa reconceptualized from a psychosocial transactional perspective, 346
Effectiveness of three group intervention strategies to support family caregivers, 420
Family characteristics and measures of behavior in foster and nonfoster children, 502
Patterns of response in families of chronically disabled children: an assessment in five metropolitan school districts, 94
State family support and education programs: lessons from the pioneers, 20
Styles of conflict resolution and cooperation between divorced parents: effects on child behavior and adjustment, 560
Treating the sibling subsystem: an adjunct of divorce therapy, 226

Family Violence

Causes of elder abuse: caregiver stress versus problem relatives, 179
Child abuse and violence in single-parent families: parent absence and economic deprivation, 492
Child abuse, neglect, and adult behavior: research design and findings on criminality, violence, and child abuse, 355
Severity of maternal depression and three types of mother-to-child aggression, 377

Foster Care

Family characteristics and measures of behavior in foster and nonfoster children, 502
Foster care research project: clinical impressions, 430

Gender

Gender and war: reexamining attitudes, 528
High-risk children in young adulthood: a longitudinal study from birth to 32 years, 72
Sex differences in children's response to parental divorce: 2. samples, variables, ages, and sources, 118

Group Issues

Effectiveness of three group intervention strategies to support family caregivers, 420
Foster care research project: clinical impressions, 430
Group work with men who experienced incest in childhood, 468
Impact of a family support program on mothers' social support and parenting stress, 410

Homelessness

Changing patterns among homeless and runaway youth, 208

Hospital Psychiatry

Developmental-clinical rationale for the use of seclusion in the psychiatric treatment of children, 442
Some ethical considerations in defensive psychiatry: a case study, 534

Hyperactivity

Psychopathology in fragile X syndrome, 142

Infancy

Meeting the mandate of Public Law 99-457: early childhood intervention in the nineties, 451
Neonatal behavior and early temperament: a longitudinal study of the first six months of life, 82
Sexualized attention: normal interaction or precursor to sexual abuse?, 238

Joint Custody

Ongoing postdivorce conflict: effects on children of joint custody and frequent access, 576

Law/Legislation

Meeting the mandate of Public Law 99-457: early childhood intervention in the nineties, 451
Psychotherapy and mandated reporting of child abuse, 246

Marriage

Marital quality, depression, and inconsistent parenting: relationship with observed mother-child conflict, 105

Medical Education

Disabling practitioners: hazards of learning to be a doctor in American medical education, 303

Mental Health Care System

Acceptance of the mental illness label by psychotic patients: effects on functioning, 398
America's family support movement: strengths and limitations, 6
Dimensions and characteristics of lay helping, 215
Disabling practitioners: hazards of learning to be a doctor in American medical education, 303
Effectiveness of three group intervention strategies to support family caregivers, 420
Family support programs: catalysts for change, 20
Meeting the mandate of Public Law 99–457: early childhood intervention in the nineties, 451
Search for effective prevention programs: what we learned along the way, 49
Some ethical considerations in defensive psychiatry: a case study, 534
State family support and education programs: lessons from the pioneers, 32

Mental Retardation

Psychopathology in fragile X syndrome, 142

Mother-Child Relationship

Child abuse and violence in single-parent families: parent absence and economic deprivation, 492
Daughters of divorce: report from a ten-year follow-up, 593
Marital quality, depression, and inconsistent parenting: relationship with observed mother-child conflict, 105
Maternal affect and toddlers' social-emotional competence, 368
Maternal support following disclosure of incest, 197
Severity of maternal depression and three types of mother-to-child aggression, 377

Object Relations

Are "primitive" object relations really preoedipal?, 331

Parent Education

Effectiveness of three group intervention strategies to support family caregivers, 420
Family support programs: catalysts for change, 20
Impact of a family support program on mothers' social support and parenting stress, 410
Search for effective prevention programs: what we learned along the way, 49
State family support and education programs: lessons from the pioneers, 32

Physical Disability/Illness

Meeting the mandate of Public Law 99-457: early childhood intervention in the nineties, 451
Patterns of response in families of chronically disabled children: an assessment in five metropolitan school districts, 94
Role of self-understanding in resilient individuals: the development of a perspective, 266

Poverty

Child abuse and violence in single-parent families: parent absence and economic deprivation, 492

Prevention

America's family support movement: strengths and limitations, 6
Family support programs: catalysts for change, 20
Impact of a family support program on mothers' social support and parenting stress, 410
Meeting the mandate of Public Law 99–457: early childhood intervention in the nineties, 451
Search for effective prevention programs: what we learned along the way, 49
State family support and education programs: lessons from the pioneers, 32

Professional Ethics

Some ethical considerations in defensive psychiatry: a case study, 534

Psychopharmacology

Molecular biology in psychiatric research: Alzheimer's disease as a paradigm, 294
Toward an integrated model of panic disorder, 284

Psychotherapy

Psychotherapy and mandated reporting of child abuse, 246
Treatment failures: the role of sexual victimization in women's addictive behavior, 542

Research

Perversion of research and the paralysis of action, 482
Research perspectives on children of divorce: introduction, 557

Resilience

High-risk children in young adulthood: a longitudinal study from birth to 32 years, 72
Role of self-understanding in resilient individuals: the development of a perspective, 266
Suicidal behavior in "normal" adolescents: risk and protective factors, 59

Runaways

Changing patterns among homeless and runaway youth, 208

Schizophrenia

Advantages of abandoning symptom-based diagnostic systems of research in schizophrenia, 324
Age at first hospitalization and premorbid social competence in schizophrenia and affective disorder, 188

Self-Help Groups

Dimensions and characteristics of lay helping, 215
Effectiveness of three group intervention strategies to support family caregivers, 420
Family support programs: catalysts for change, 20
Impact of a family support program on mothers' social support and parenting stress, 410

Sexual Abuse/Incest

Child abuse, neglect, and adult behavior: research design and findings on criminality, violence, and child abuse, 355
Group work with men who experienced incest in childhood, 468
Maternal support following disclosure of incest, 197
Treatment failures: the role of sexual victimization in women's addictive behavior, 542
Sexualized attention: normal interaction or precursor to sexual abuse?, 238

Social Policy

Addressing the nation's child care crisis: the school of the twenty-first century, 484
America's family support movement: strengths and limitations, 6
Changing patterns among homeless and runaway youth, 208
Family support programs: catalysts for change, 20
Meeting the mandate for Public Law 99-457: early childhood intervention in the nineties, 451
Perversion of research and the paralysis of action, 482
Search for effective prevention programs: what we learned along the way, 49
State family support and education programs: lessons from the pioneers, 32

Social Support

America's family support movement: strengths and limitations, 6
Dimensions and characteristics of lay helping, 215
Effectiveness of three group intervention strategies to support family caregivers, 420
Family support programs: catalysts for change, 20
Impact of a family support program on mothers' social support and parenting stress, 410
Search for effective prevention programs: what we learned along the way, 49

Special Education

Patterns of response in families of chronically disabled children: an assessment in five metropolitan school districts, 94

Stress

Causes of elder abuse: caregiver stress versus problem relatives, 179
Suicidal behavior in "normal" adolescents: risk and protective factors, 59

Substance Abuse

Treatment failures: the role of sexual victimization in women's addictive behavior, 542

Suicide

Consultation to a clinic following suicide, 473
Suicidal behavior in "normal" adolescents: risk and protective factors, 59

Temperament

Maternal affect and toddlers' social-emotional competence, 368

Neonatal behavior and early temperament: a longitudinal study of the first six months of life, 82
Temperament and individuality: a study of Malay children, 390

Tests/Testing

Computer-based psychological testing: issues and guidelines, 257

War/Peace

Gender and war: reexamining attitudes, 528
Nuclear worries of Canadian youth: replication and extension, 520

Women/Girls

Anorexia nervosa reconceptualized form a psychosocial transactional perspective, 346
Attachment, anxiety, and loss of a husband, 550
Daughters of divorce: report from a ten-year follow-up, 593
Treatment failures: the role of sexual victimization in women's addictive behavior, 542
